Subject: Tuesday, October 18

We are trying to put together a breakfast meeting with our business representatives on the board for Tuesday, October 18 from 7:30-8:30 a.m. Frankly, the purpose is to gear them up to help with fundraising. (Ben has been carrying the load pretty much by himself!)

Would you be available to give them an overview of the plan as it stands at that point - similar to what you did today at the board meeting ?
